

I have worked with Darlene since day one, when my business was just a fledgling! She was with me when it opened and I have learned so much. Having her ongoing bookkeeping support and advice, and her precision and record keeping, as well as her friendly and reliable nature meant I never had to worry about any of the bookkeeping tasks that would have bogged me down and taken me from the core work that I love to do

I wouldn't work with anyone else. Darlene and her team are essential to my business, and her organizational skills and knowledge has given me what I needed to grow from a solo operation to a profitable successful corporate entity with 5 employees in just a few years. I would highly recommend her and her staff to anyone in the business realm
